Fact Sheet

The Holy barstool is a pols potten classic. The original design is a combination of both luxury interiors and functional design. You can probably guess why we've dubbed the stool, the Holy. Well, it's simple, there is a hole in between the backrest and seat. This beautifully crafted stool has superior foam innards for an elevated sitting experience, and a sturdy iron frame for reinforced strength. It's an ideal commercial design asset, as well as a home treasure. Elegant around hotel bar, and playful around your kitchen counter.
